Board of Directors – 1998-2002 and 2006-2008

President Elect – 1999-2000
Chapter Liaison to MPI Foundation – 2005-07
Director of Strategic Alliances – 2006-07

Awards & Recognition: CMP Certification, President's Award, MPI Chairman's Honor Roll

Full Time Job: manager of meeting and event department which covers Bayer CropScience, Environmental Science, and Bio Science.

MPI Memorable Moment: Attending my first World Education Conference in Nashville. I was caught up in the huge number of planners in the US (I'm not alone), the professionalism that surrounded them and the education available to me as an MPI member. I made a mental commitment on that day to get my CMP certification.
